

## FROM OUR POPE

If we interpret it from a social point of view, **gluttony** is perhaps the most dangerous vice, which is killing the planet. [...] the voracity with which we have been plundering the goods of the planet for some centuries now is compromising the future of all. Let us ask the Lord to help us on the road to sobriety, so that the many forms of gluttony do not take over our life.

# Welcome to Newman Hall-Holy Spirit Parish

*a ministry of the Paulist Fathers*

### We gather...

To hear God's word,

To taste Jesus' life in the Eucharist,

To be a community of God's love for one another and for all.

### We are sent...

To relish learning that enriches all lives,

To heal divisions in our church and world,

To participate in the world's quest for justice and peace.

*"Returning hate for hate multiplies hate, adding deeper darkness to a night already devoid of stars. Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that."*
