

## FROM OUR POPE

Jesus Christ is the way of peace. By his incarnation, passion, death and resurrection, he has opened the way that leads from a world closed in on itself and oppressed by the dark shadows of enmity and war, to a world that is open and free to live in fraternity and peace.

Brothers and sisters, let us follow that road! Yet in order to do so ... we must divest ourselves of the burdens that weigh us down and block our way.

What are those burdens? ...The same negative forces that prevented King Herod and his court from acknowledging and welcoming the birth of Jesus: attachment to power and money, pride, hypocrisy, falsehood. These forces hold us back...they exclude us from the grace of Christmas and they block the entrance to the path of peace. Indeed, we must acknowledge with sorrow that, even as the Prince of Peace is given to us, the icy winds of war continue to buffet humanity.

...Let us look to Bethlehem and contemplate the face of the Child who is born for us! And in that small and innocent face, let us see the faces of all those children who, everywhere in the world, long for peace.

MESSAGE OF HIS HOLINESS POPE FRANCIS CHRISTMAS 2022
